

Join Us In Helping Build Saugeen Food Banks New Facility

The Saugeen Food Bank currently serves 141 clients from Saugeen First Nation through the food bank program. It is our hopes to expand the program by hosting weekly soup kitchens, offering healthy cooking workshops and implementing a 'thrift' store to help low income families purchase items at lower cost which will in turn help provide some revenue back in to the food bank programs. It is also our intention to combine the community garden into our program which will compliment the food bank services nicely as well as provide fresh fruit & vegetables to all community members
